

Health Navigator Coordinator

Full-Time (1.0 FTE)

A Unique Opportunity

Kununurra - East Kimberley

(Salary Range: \$74,578 - \$78,307)

A unique and exciting opportunity exists for an experienced Nurse, Allied Health or Aboriginal Health Worker to join Boab's multidisciplinary team in Kununurra. We are seeking a professional who is committed to the delivery of a quality service that will meet the health needs of our client base in a culturally respectful manner.

The Health Navigator Coordinator will work collaboratively with patients, general practitioners, clinic/practice staff and a broad range of other relevant services to facilitate provision of appropriate multidisciplinary care for Individuals and families living with a chronic condition/s.

As an applicant ideally you will have close ties with the Community in and around Kununurra and be comfortable working within the health care system. Your experience, passion, energy and enthusiasm towards mentoring people towards their health goals and supporting self-management will be highly regarded.

Benefits include:

- Salary packaging *options for remote living are* available
 - **Six weeks** annual leave (Pro rata)
- Professional development opportunities

Interested applicants should phone: Robyn Powell (Allied Health Manager) on (08) 9192 7888.

For further information and position description please access Boab's website at www.boabhealth.com.au and go to the **positions vacant webpage**.

Applicants must forward a response to the **selection criteria** (located within the position description) together with their **resume** and the names of at least **two referees** to:
chris.phillips@boabhealth.com.au

Applications close: C.O.B. 26/11/18. We reserve the right to close off this position before the cut-off date should we have a suitable pool of applicants.

Boab Health Services will not provide feedback to applicants who are not shortlisted.

Boab Health Services is an Equal Opportunity Employer who values and encourages diversity within its workforce
