

Podiatrist

West Kimberley- Broome

\$95,744 - \$102,925

1 FTE

(Salary commensurate with skills and experience)

A unique and exciting opportunity exists for a **Podiatrist** to join our primary health care team. This position is based in Broome and provides a podiatry service to towns and remote Aboriginal communities in the West Kimberley region. The position works in partnership with local Aboriginal Health Services, WA State Health Services and other community based organisations.

The role combines a mix of clinical and health promotion activities, including opportunities to partner with local organisations seeking to positively influence the health of Kimberley people. Your experience in podiatry across different settings including high risk diabetic foot in the community setting will be highly regarded, as will your passion, energy and enthusiasm towards Aboriginal health, rural health and preventative health care.

Benefits Include:

- Relocation assistance
- professional development opportunities
- 6 weeks annual leave
- Salary packaging *options for remote living are* available.

For further information and position description please access Boab's website at www.boabhealth.com.au and go to the "Positions Vacant" webpage.

Applications **must address the selection criteria** (located within the position description) and email this together with their **resume** and the names of a least **two referees** to:

chris.phillips@boabhealth.com.au

Interested applicants should phone: Robyn Powell (Allied Health Manager) on (08) 9192 7888.

Applications close: Close of Business Monday the **7/01/19**. We reserve the right to close off this position before the cut-off date should we have a suitable pool of applicants.

Boab Health Services will not provide feedback to applicants who are not shortlisted.
