Salary Range: $68,829 - $ 75,885 pro rata
Part Time to 30 June 2027
(with further extension subject to funding)
Based in Wyndham

An Opportunity Beckons

Passionate about healthcare, warm, outgoing, authentic, caring, and inspiring? "Raise your hand if that's you". Who wouldn't want to go to work with this view every day?
Our clients come from all walks of life, and so do we. We hire great people from a wide variety of backgrounds, not just because it's the right thing to do, but because it makes our company stronger.
If you share our values and our passion for delivering the best possible healthcare to clients, you will find a home at Boab Health Services. You can do all of this in the unique and wondrous Kimberley region of Western Australia.
Boab Health Services is a not-for-profit, multidisciplinary primary health care service delivering allied health, mental health, and care coordination services throughout the Kimberley.

About the role

This **Wyndham-based** role works closely with the Youth and Community Support Coordinator to support delivery of the ABLe (A Better Life) Program. You will build trusted connections with local Aboriginal communities, encourage access to the program and help ensure support is culturally responsive, practical and accessible.
You will provide non-clinical assistance to Aboriginal and Torres Strait Islander participants, including advocacy, transport and support to access health services, appointments and other community programs. You will also share information about available services, help identify and address barriers to participation, and assist with program activities and administration.
This is a hands-on community liaison role for an Aboriginal person with strong connections to culture and community in the East Kimberley, excellent communication skills and a genuine commitment to supporting people experiencing barriers related to mental health, alcohol and other drug use, gambling, employment and social participation.

About you

The right fit for us and our company culture is super important, so if you are a multitasker, passionate about people and health, and a solid team player, we are looking for you. Your experience, compassion, and motivation to work in rural and remote health care and with Aboriginal people will be highly regarded.
