Mental Health Professional

Full Time / Part Time

Kununurra

Base Salary Range: $110,026 – 116,301

An Opportunity Beckons

Passionate about healthcare, warm, outgoing, authentic, caring, and inspiring? “Raise your hand if that’s you”. Who wouldn’t want to go to work with this view every day?

Our clients come from all walks of life, and so do we. We hire great people from a wide variety of backgrounds, not just because it’s the right thing to do, but because it makes our company stronger.

If you share our values and our passion for delivering the best possible healthcare to clients, you will find a home at Boab Health Services. You can do all of this in the unique and wondrous Kimberley region of Western Australia.

Boab Health Services is a not-for-profit, multidisciplinary primary health care service delivering allied health, mental health, and care coordination services throughout the Kimberley.

This is a unique and rare opportunity for a **Mental Health Professional (psychologist, mental health nurse, occupational therapist, Aboriginal mental health practitioner or social worker)** to join our organisation delivering mental health services to the people of Broome and the surrounding communities.

About the role

This role will deliver tailored and holistic mental health services across the age range to individuals experiencing mild to moderate mental health and wellbeing concerns and will provide services to Broome as well as outreach mental health services to remote Aboriginal communities in the West Kimberley. Servicing other communities may constitute up to four nights away at any one time. This role will be in partnership with other local health services, schools and other community organisations. For a full job description of the role, please see “More Information” below.

About you

The right fit for us and our company culture is super important, so if you are passionate about delivering the best possible healthcare, we are really looking for you. We want someone who can work with clients of all ages and walks of life. You will thrive in this collaborative environment with a diverse team addressing the needs of the broader community.

You will have post-registration experience with evidence-based psychological interventions. Your experience, compassion, and motivation to collaborate with Aboriginal people and in rural and remote mental health care will be highly regarded. You will have AHPRA registration (if applicable to your discipline) and relevant professional association membership. **Provisional Psychologists are welcome to apply.**
